GO TO-U 

How to pay by card

For your comfort, you can pay for charging by card during or after the reservation

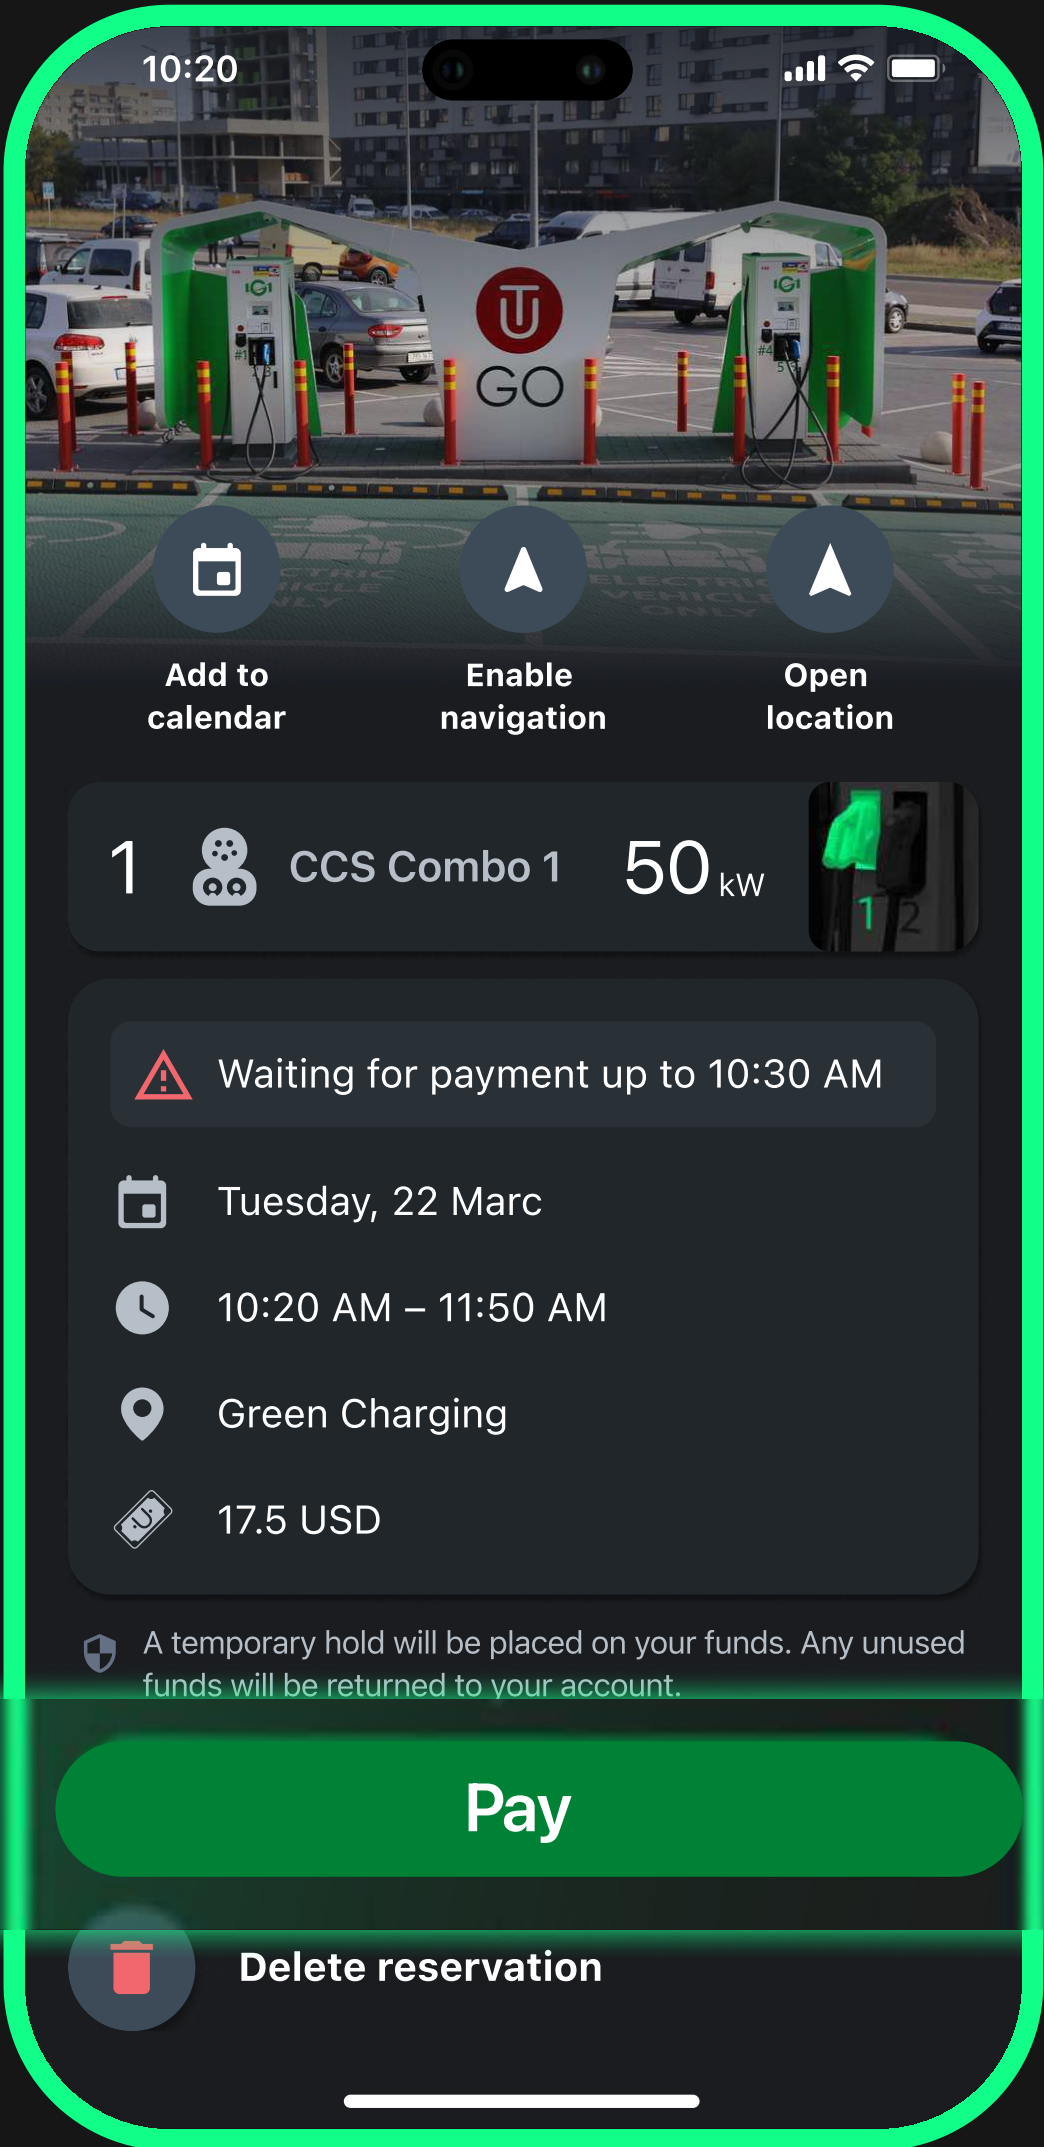

Change the payment method to card following the instructions on the pages 6,7

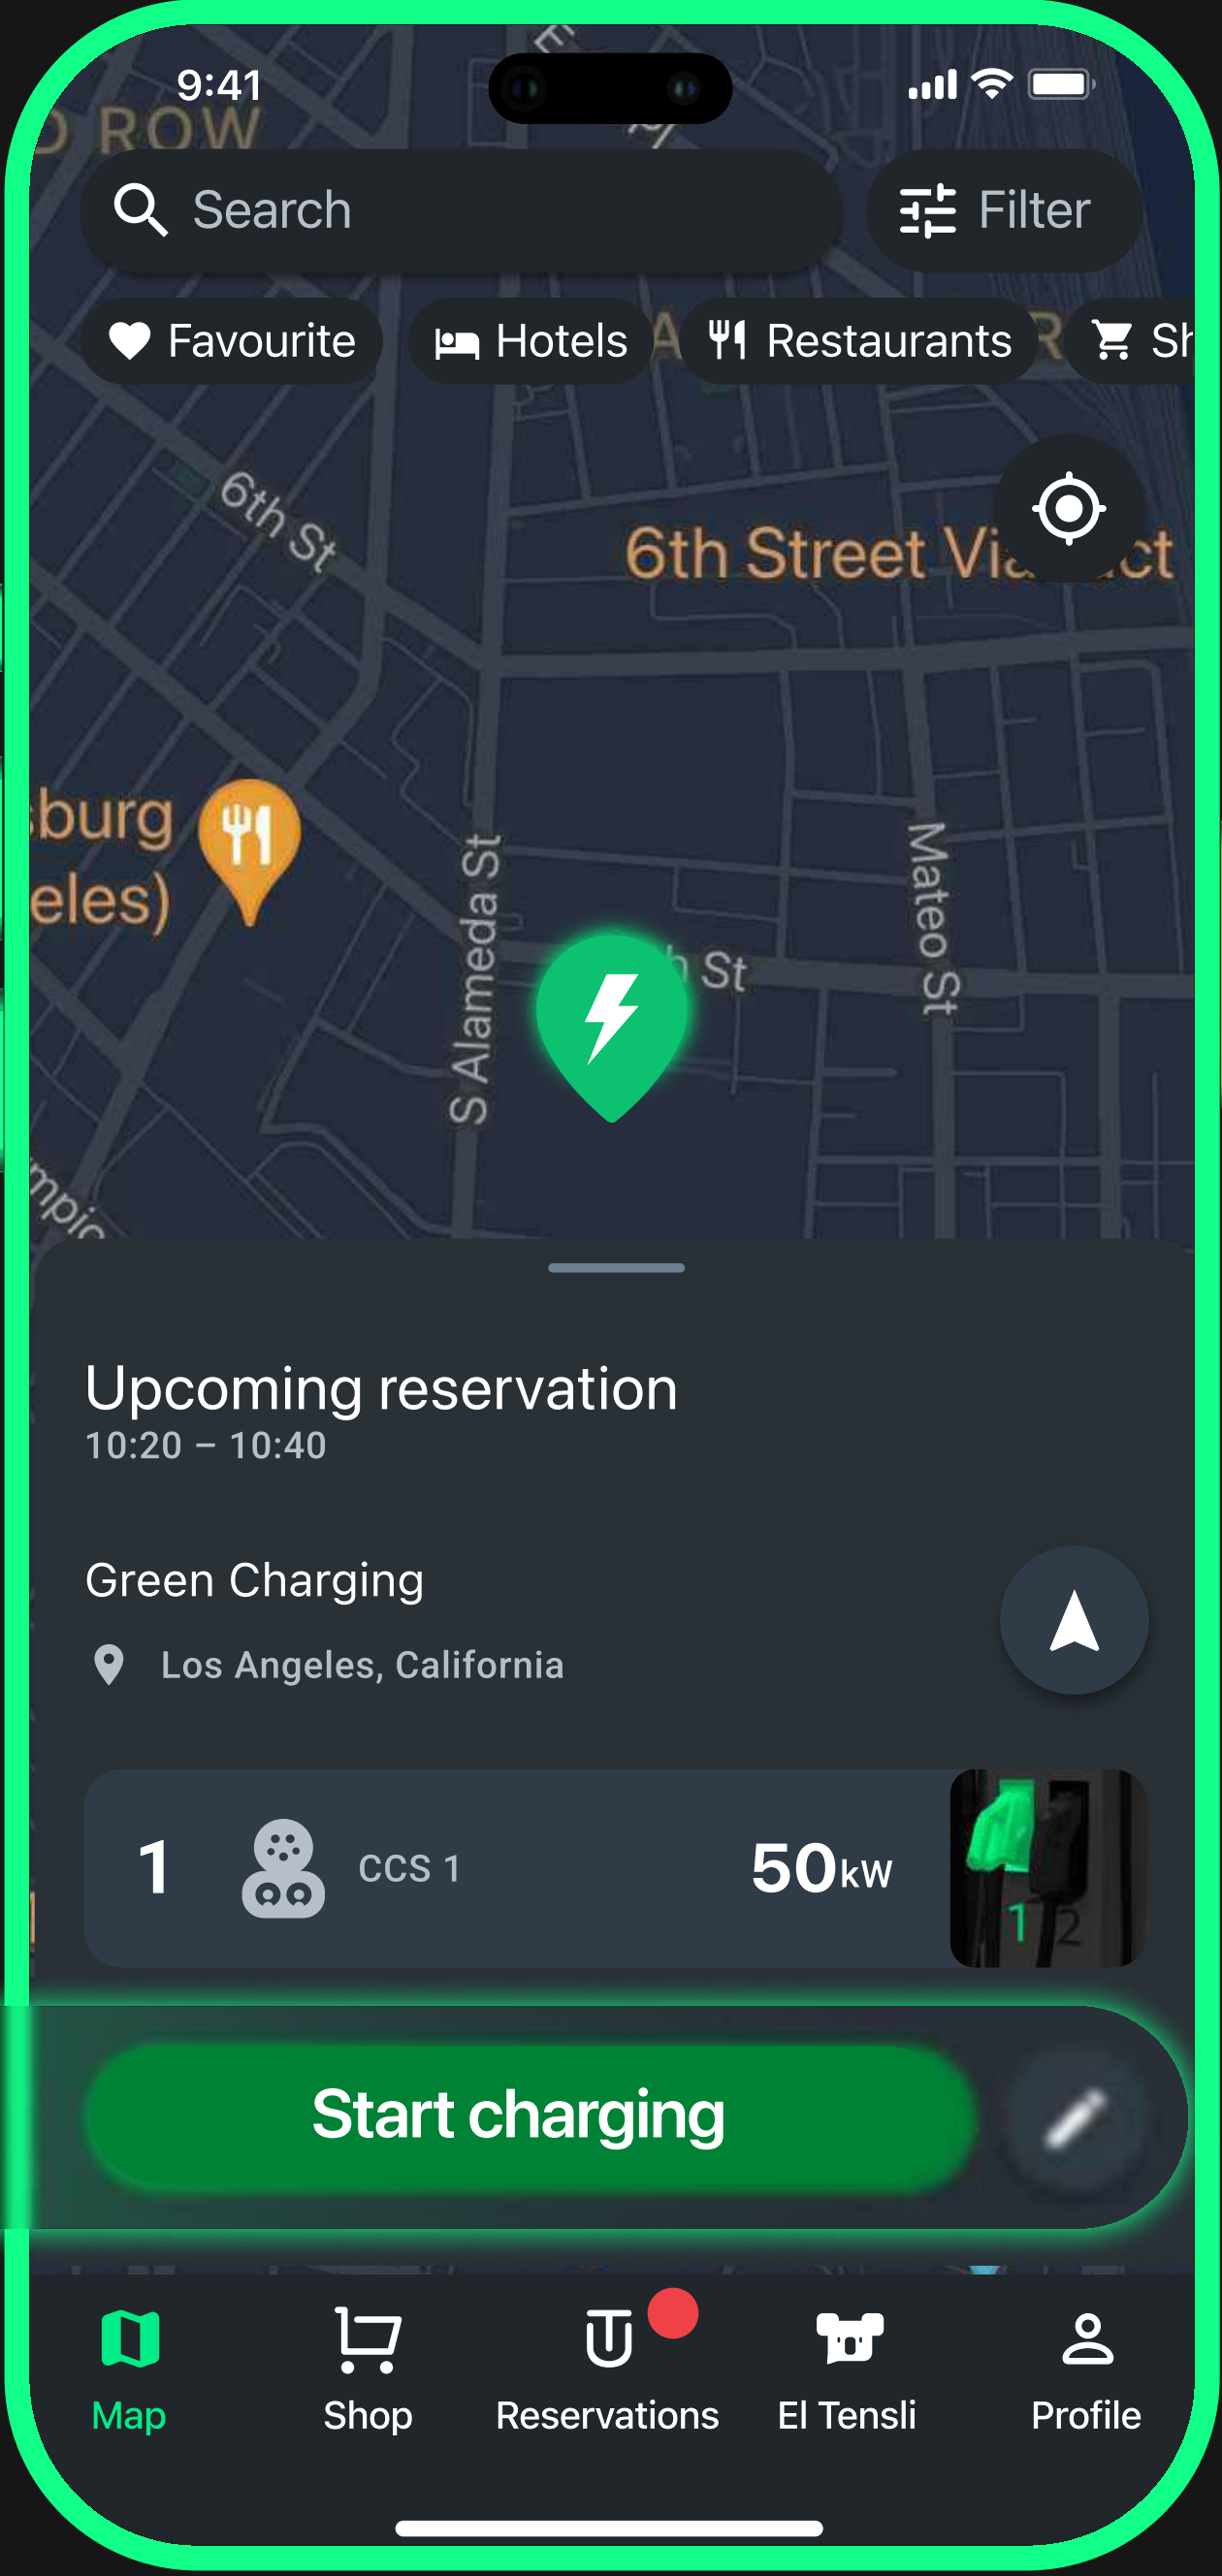

A temporary hold will be placed on your funds. Any unused funds will be returned to your account.

Pay during the reservation

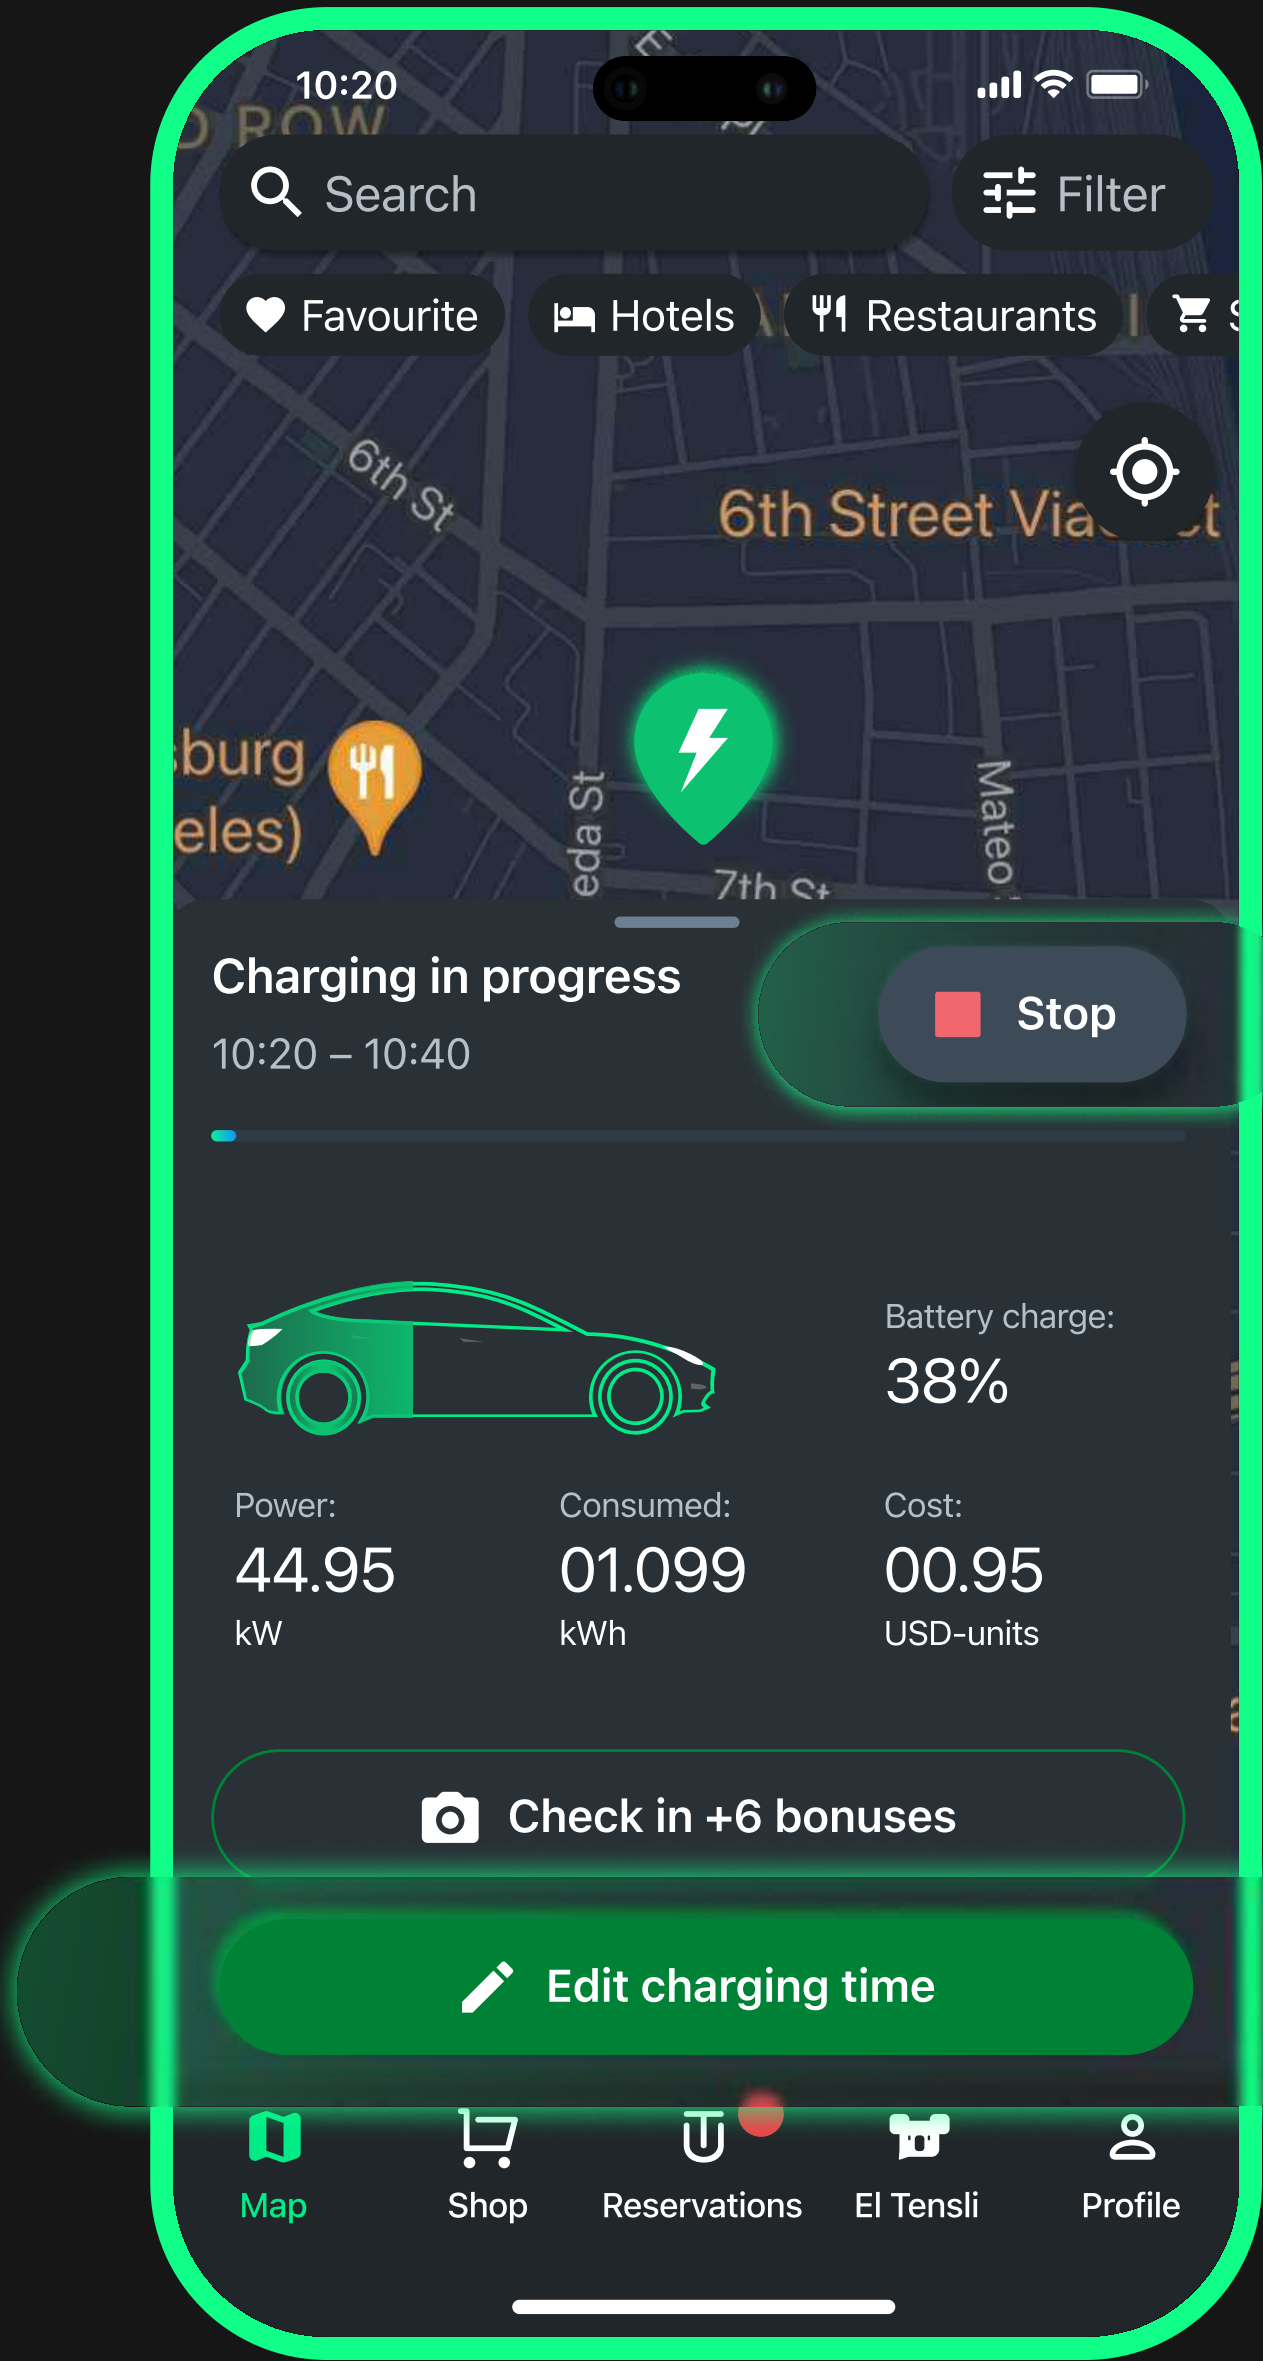

Let's charge

Please, follow the instructions to start a charging session

1. Arrive on time at the location
2. Find your connector number
3. Plug in your car
4. Click "Start charging"

Charging

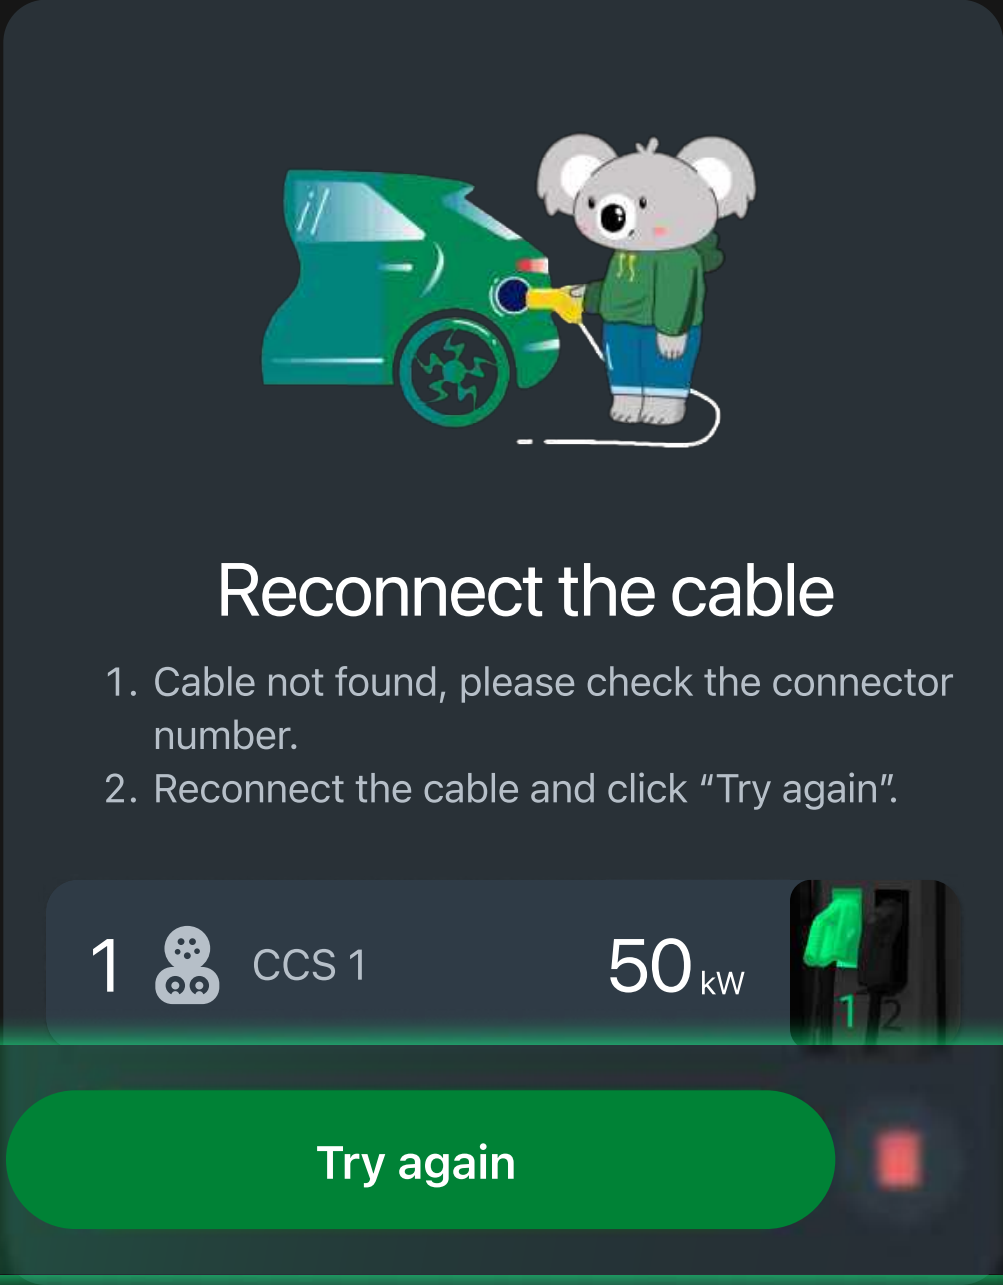

5. Wait for cable connection

6. Enjoy charging

Stop charging or
change duration
during charging
session if needed

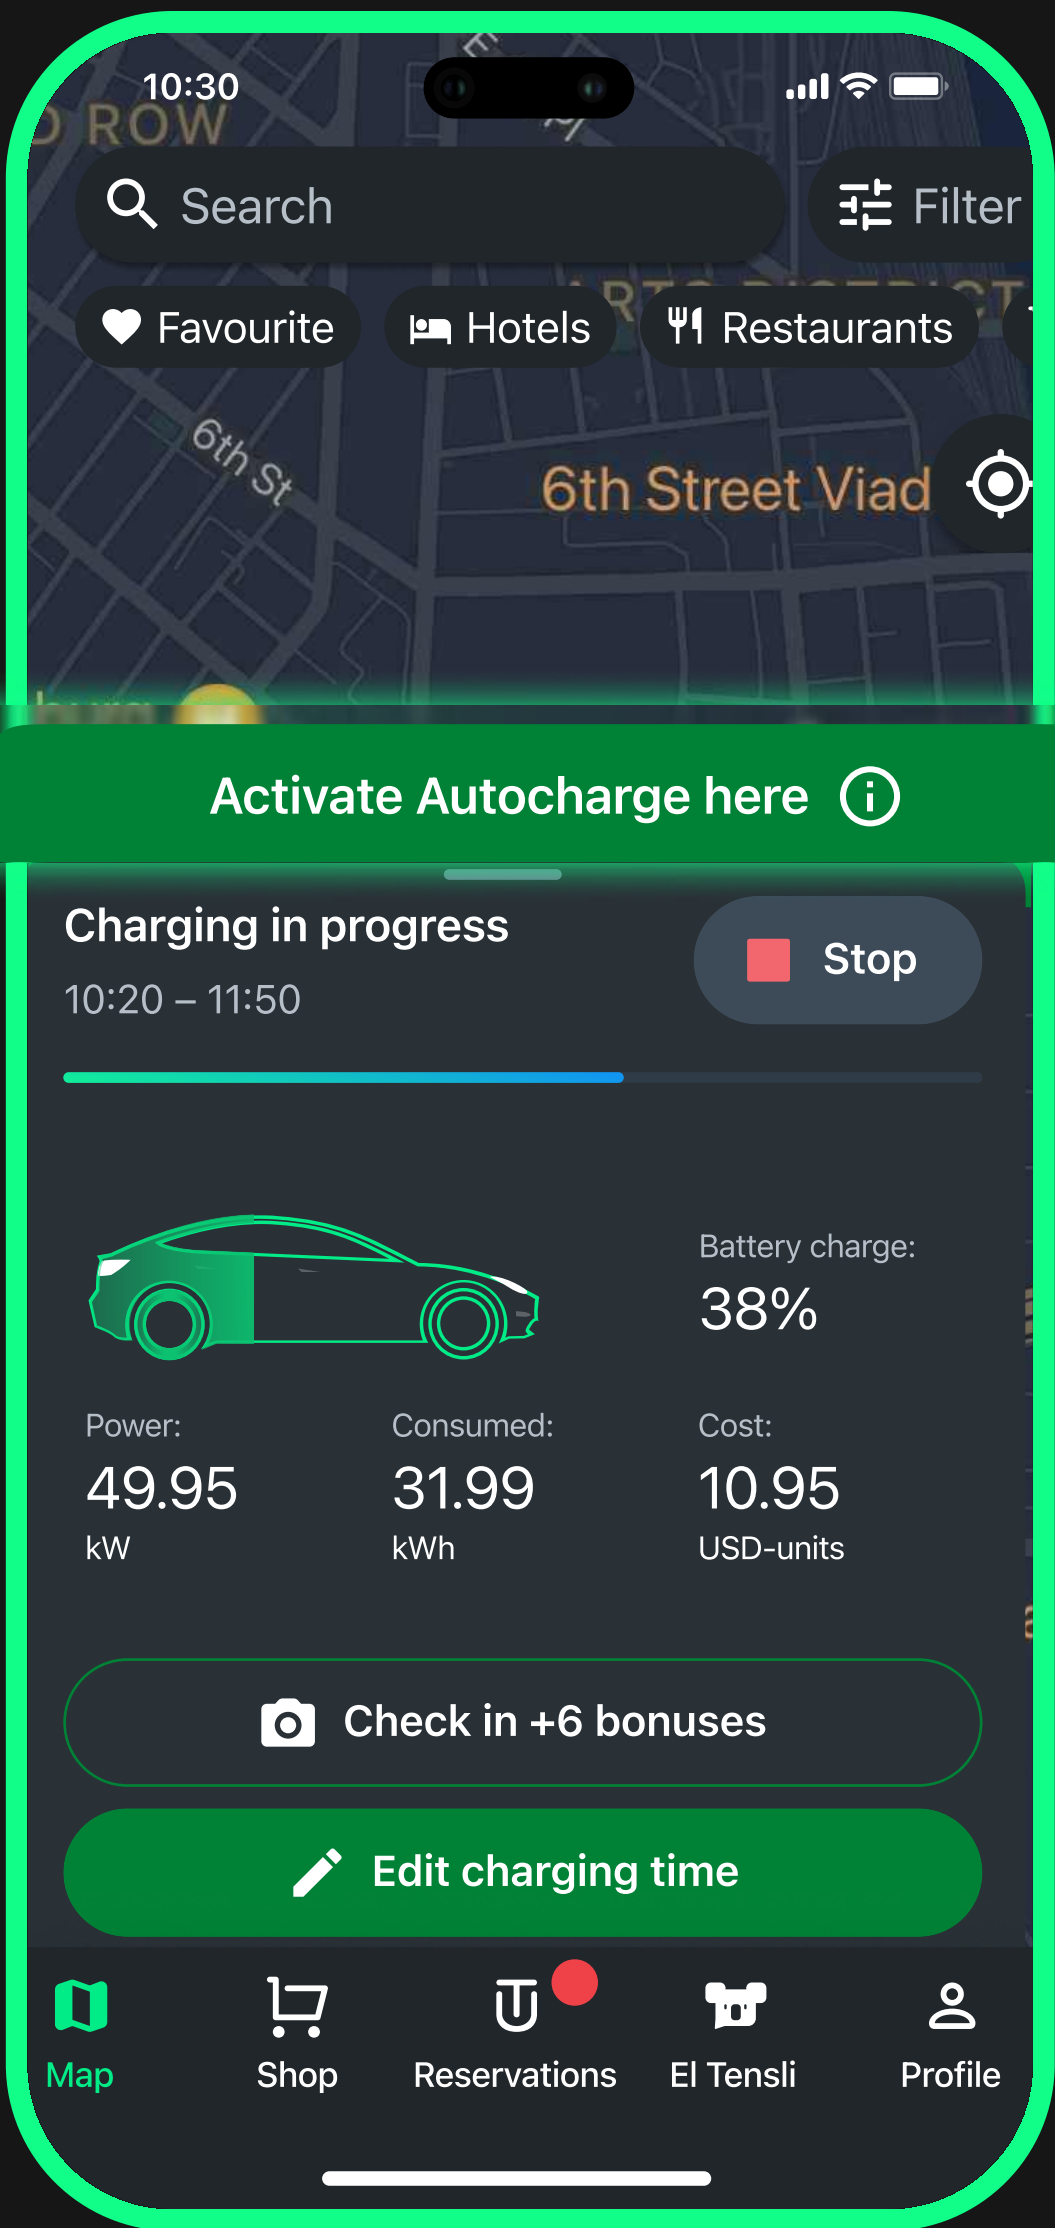

If you have any troubles with
cable connection, this dialog
box will be displayed

Follow the instructions:
reconnect the cable again
and click on “Try again”
button

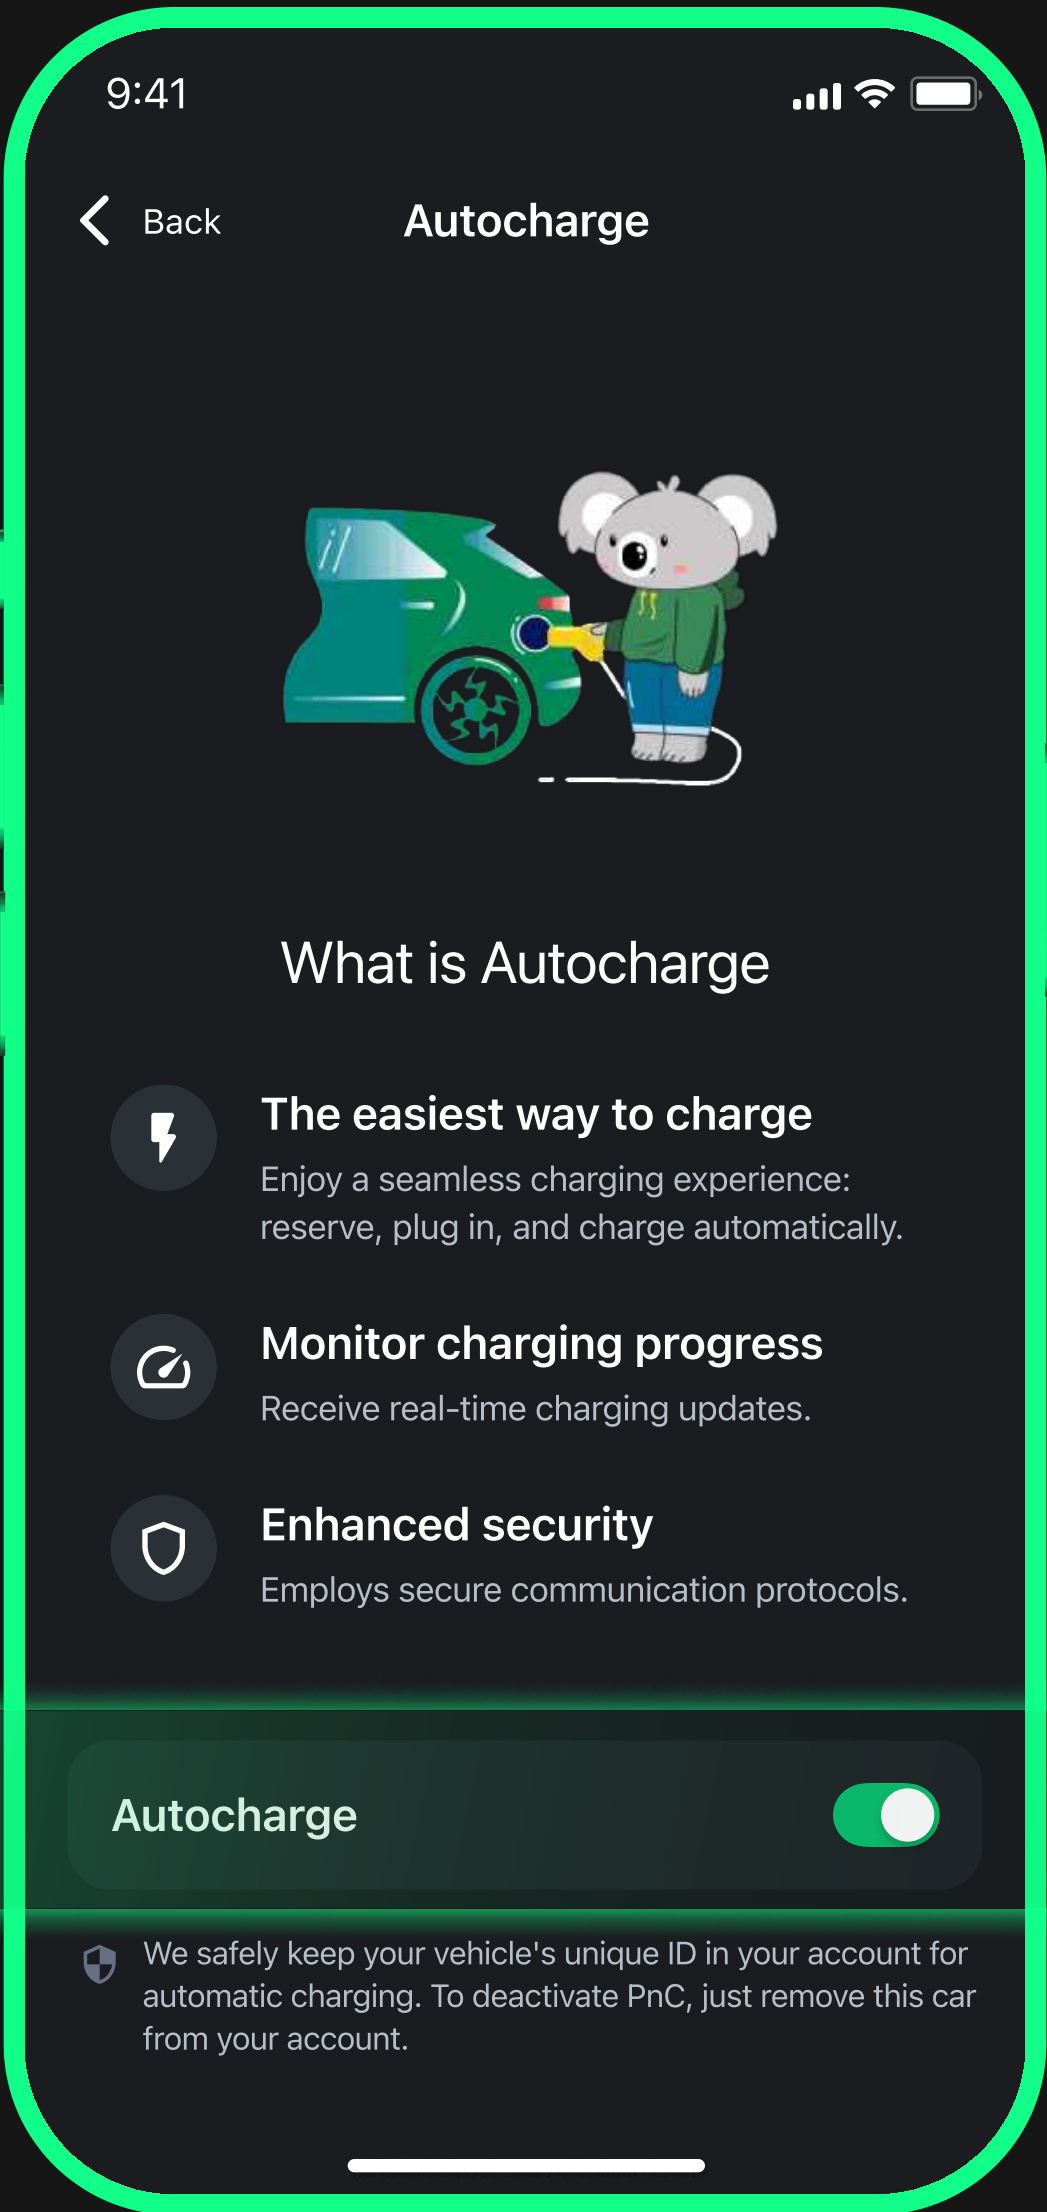

Autocharge

Technology simplifies electric vehicle (EV) charging by automating the authentication and payment process.

If your car supports Autocharge, you can activate it during the charging session
